(Voting: For 6; Against 1; Abstentions 0)

9. East Cliff feasibility study / proposals

Members received a presentation from Alastair Clifford, Chief Officer – Operations, who took them through draft proposals for East Cliff, Folkestone Harbour Ward, with the next stage being a full consultation with residents.

Some concerns were raised that a draft plan was already in place but it was noted that this was what a potential project could look like and there would be a full public consultation before scoping any project to take forward. It was also noted that there was no funding in place or authorisation to proceed with anything other than scoping the project.

Members agreed to proceed with the full public consultation early in the new year and report back with the consultation results to the Trustees to decide upon next steps.
